Session II: The Healing Ministry in the Care of the Dying

Facility Focus

Session III: Ethical Issues Around Care at the End of Life

Session IV: Who Am I as a Caregiver?

In these four sessions, Fr. Mark Miller explores the history, identity and response of the Christian community to the ill. He also discusses the journey of death, specifically, the unique aspects of palliative care and the very personal exchange of gifts at the end of life.

Ethics for the Journey is for all caregivers who are looking for direction through the twists and turns of an ever-changing world.
